RELIGIOUS CONFLICT AND INTERFAITHISM REPORT EBOOKS 2019

Author: Nebula

Release Date: Lanzamiento previsto: @@expectedReleaseDate@@

The Interfaith Movement aims to diminish the potential for inter-religious conflict in the modern world by promoting 'interfaith understanding'. Its effectiveness as a movement is however limited because the method it employs for promoting inter-religious harmony can only be employed at the risk of augmenting the potential for infra-religious disharmony within the very religions it is employed to inter-religiously harmonise. Religion has been with us since we first became human, and despite the 'God-busting' efforts of evangelical atheists' such as Richard Dawkins' it is will remain with us while ever the uniquely human needs to which it uniquely ministers remain with us.
